Amendment A

Please add the following claim:

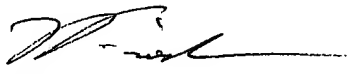

- 1 ~~218~~ 218. A cap and container assembly as in claim 3, the
2 neck being substantially symmetrical about a central vertical
3 axis; the neck forming a flexible lip proximate the mouth; the
4 neck further forming an intermediate section below the lip, the
5 intermediate section being generally narrower than the lip and
6 facilitating handling of and pouring from the container when the
7 cap and the container are not engaged.--

Entry of this Amendment and allowance of the claims is respectfully requested.

Respectfully submitted,

WELSH & KATZ, LTD.
